Body: I was extremely impressed with name-on.com and their customer service. They got my items to me BEFORE Christmas and even called two days before to verify that I had spelled a specific name correctly on my item. (My mom spells her name kind of different) I would highly recommend this company to any and everyone! Keep up the good work!

Body: This was the first time I used Name-Ons services, and I have to say that I was very pleased with their product and service. The post office lost my package (it has since been found), but that was not the fault of Name-On, they sent the package on time as promised. I only wish that they maybe had another shipping option, like UPS. Overall, I was very impressed, and recommend them.
